MEDICINAL. How to Help Your Girls.

The anxious mother of the family often times carries the whole burden of responsibility so far as the home medication of common ailments of the girls or boys are concerned. The cost of the doctor's visits are very often too great for consideration. At such times the mother is invited to write to Dr. R. V. Pierce, of Buffalo, N. Y., for medical advice, which is given free. Correspondence is held strictly confidential.

\$500 REWARD FOR WOMEN

WHO CANNOT BE CURED.
Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Proflaps, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. World's Dispensary Medical Association, Proprietors, Buffalo, N. Y. Take Dr. Pierce's Pleasant Pellets instead of any other laxative.

ICE GORGES AND FLOODS.

The worse flood in the history of western Pennsylvania since the establishment of the Weather Bureau at Pittsburgh is expected tonight. Never before have the existing conditions and the outlook been so serious as now. Experienced rivermen and people who for years have watched river and weather conditions, do not hesitate to state that a stage of 35 feet will be reached, which is 1.7 feet higher than the flood of 1884.

Heeding the warnings given out by the weather bureau and from past experiences, business men, officials and manufacturing plants and citizens whose homes line the banks of the Monongahela and Allegheny rivers began to meet the impending danger, which it was asserted at the weather bureau last night nothing could stop. The river railroads and river interests are also preparing, by removing property to places of safety.

The lower business section and much of the residence section of Meadville, Pa., is inundated. The trouble comes from Mill run and follows a thaw and light rain of 24 hours. The run passes under several business blocks and streets and has become completely clogged with ice, forcing the water over the banks. A torrent is sweeping through several stores on south Water street and 200 cellars are flooded.

Ice began moving out of the Wabash river yesterday doing much damage to property in Logansport, Ind.

The heavy rains of the last two days have sent all the streams in the vicinity of Peoria, Ill., out of their banks. People residing in the lowlands near East Peoria have been driven out by Farm creek. Ice is gorged against the bridge of the Iowa Central and Burlington Railways, delaying traffic on both lines. The Illinois river has risen two feet since Wednesday, and is still coming up at a threatening rate.

The Wabash river has risen 16 feet in Lafayette, Ind. All boats, including a pleasure steamer, have been destroyed by the ice. The water has overflowed all the lowlands, and is in the cellars of houses along the banks. Elmhurst, a suburb of Lafayette, is four feet under water. Denver, nine miles north of Peru, is flooded by the Eel river, which is out of its banks, and 12 feet of water is reported in the south section of Amboy.

Ice coming down the Ohio has formed a gorge at Six-Mile Island, a few miles above Louisville, Ky., and boats have been dispatched to break it. Five boats are busy in front of the city attempting to keep the harbor clear. A barge and a small steamer were swept away at Madison, Ind.

A dispatch from Milwaukee says the blizzard which started Wednesday evening and raged all last night, has ceased. The street railway line between Milwaukee, Racine and Kenosha is a standstill, and drifts 10 feet high are frequent in Racine.

An ice gorge house-top high has formed at Steele's dam in the Miami river, north of Dayton, Ohio, and serious results are threatened the people of Riverdale and North Dayton, who are living in dread of a recurrence of the flood in the spring of 1898, when thousands of dollars worth of property was destroyed and many lives endangered. Sections of the Miami Valley south of Dayton are flooded, and Dwyer station is under water, due to the breaking of a canal bank.

A dispatch from St. Paul, Minn., says the heaviest snowstorm of the winter began early yesterday and the twin cities were cut off from telegraphic communication with the south and east for several hours.

Croup.

The peculiar cough which indicates croup is usually well-known to the mothers of croupy children. No time should be lost in the treatment of it, and for this purpose no medicine has received more universal approval than Chamberlain's Cough Remedy. Do not waste valuable time in experimenting with untried remedies, no matter how highly they may be recommended, but give this medicine as directed and all symptoms of croup will quickly disappear. For sale by Richard Gibson.

Domestic Troubles.

It is exceptional to find a family where there are no domestic ruptures occasionally, but these can be lessened by having Dr. King's New Life Pills around. Much trouble they save by their great work in Stomach and Liver troubles. They not only relieve you, but cure, 25c, at E. S. Leadbeater & Son's drug store.

What's In a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises, and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by all druggists.
